

Office of the Governor

The North Dakota Teacher Retention and Recruitment Task Force held its first in-person convening on Thursday, February 22, 2024, at the State Capitol in Bismarck, ND.

The Task Force will hold a series of meetings with discussions on the teacher workforce. The Task Force will host 15 education leaders, practitioners, and community members to develop recommendations for improving educator retention and recruitment across the state. As an educator or someone following education issues, your participation in this process is particularly valuable.

We hope to see you at one or more of the upcoming events as we engage in this important discussion.
