

STATE OF NORTH DAKOTA

PROCLAMATION

BRAIN TUMOR AWARENESS MONTH MAY 2021

WHEREAS, an estimated 84,170 Americans of all ages, races, socio-economic status and gender will receive a primary brain tumor diagnosis in 2021; and

WHEREAS, malignant brain tumors are among the deadliest forms of cancer, with just a 36 percent five-year relative survival rate, and are the leading cause of cancer-related deaths in children and adolescents under the age of 14; and

WHEREAS, in 2017, nearly 130 North Dakotans were diagnosed with a malignant or benign tumor of the brain or other nervous system tissue, and 45 of those cases were found to be a malignant brain tumor; and

WHEREAS, North Dakota is home to major facilities, such as the University of North Dakota and others that focus on research to find better treatments, a cure for brain tumors and a higher quality of life for brain tumor patients; and

WHEREAS, increased public awareness of brain tumors through advocacy and support for targeted research, as well as education about the impact brain tumors have on patients' and their families' lives, are critical to support and action for a cure.

NOW, THEREFORE, as Governor of the State of North Dakota, I do hereby proclaim
May 2021, **BRAIN TUMOR AWARENESS MONTH** in the State of North Dakota.

Doug Burgum
