**Doug Burgum**  
*Governor*

PROCLAMATION  
**CANCER REGISTRARS WEEK**  
APRIL 8-12, 2019

**WHEREAS**, cancer registrars are professionals responsible for the collection and management of accurate and timely cancer patient information in cancer registries; and

**WHEREAS**, through the registrar's commitment to gathering high quality data, these cancer registries contribute a rich source of data that provides comprehensive information on where and among whom cancers are occurring and how well different treatments are working; and

**WHEREAS**, without research at a grassroots level, complete cancer data would not be available for physicians, researchers, public health administrators and other allied health professionals to analyze; and

**WHEREAS**, the data collected is a valuable resource in order to provide for a healthier tomorrow and for future generations; and

**WHEREAS**, cancer registries, when integrated with cancer control programs at the community and state level, make cancer control efforts more effectively targeted, more efficiently monitored and better evaluated.

**NOW, THEREFORE**, as Governor of the State of North Dakota, I do hereby proclaim April 8-12, 2019, **CANCER REGISTRARS WEEK** in the State of North Dakota.

A handwritten signature in blue ink that reads "Doug Burgum".

Doug Burgum
