

STATE OF NORTH DAKOTA

PROCLAMATION

CLEAN ENERGY WEEK SEPTEMBER 26-30, 2022

WHEREAS, the State of North Dakota boasts an all-inclusive energy portfolio, including wind, hydro-power, solar and waste heat-generated power, which is supported by a reliable baseload provided by clean fossil fuel-generated energy; and

WHEREAS, the State of North Dakota is a significant contributor to our nation's energy security, ranking third in crude oil production, and producing around seven times more energy than it consumes; and

WHEREAS, North Dakota supports the development of a strong in-state renewable energy manufacturing sector to further diversify our economy; and

WHEREAS, wind power provided about one-third of North Dakota's net generation in 2021, ranking among the top six states with the largest share of electricity generated by wind; and

WHEREAS, the energy sector is a growing part of the economy and has been a key driver of economic growth in North Dakota in recent years, employing more than 50,000 North Dakotans in 2021; and

WHEREAS, North Dakota is committed to developing innovative solutions for clean and reliable forms of energy, including technologies like carbon capture, utilization and storage which continue to transform our fossil fuel energy; and

WHEREAS, we must harness the power of entrepreneurs and small businesses in North Dakota, along with government collaboration, to assert American energy leadership in the global marketplace and assure low-cost, reliable energy here at home, including both carbon and renewable energy sources.

NOW, THEREFORE, as Governor of the State of North Dakota, I do hereby proclaim
September 26-30, 2022, CLEAN ENERGY WEEK in the State of North Dakota.

Doug Burgum
GOVERNOR

ATTEST: 
Alvin A. Jaeger
SECRETARY OF STATE
