

# STATE OF NORTH DAKOTA

## PROCLAMATION

### CLEAN POWER WEEK OCTOBER 25-29, 2021

WHEREAS, the State of North Dakota boasts an all-of-the-above energy portfolio, including wind, hydropower, solar and waste heat-generated power, which is supported by a reliable baseload provided by clean fossil fuel-generated energy; and

WHEREAS, the State of North Dakota is a significant contributor to our nation's energy security, ranking No. 3 in crude oil production and No. 6 in total energy produced; and

WHEREAS, North Dakota supports the development of a strong in-state renewable energy manufacturing sector to further diversify our economy; and

WHEREAS, the energy sector is a growing part of the economy and has been a key driver of economic growth in North Dakota in recent years, employing more than 36,000 North Dakotans; and

WHEREAS, North Dakota is committed to developing innovative solutions for clean and reliable forms of energy, including technologies such as carbon capture, utilization and storage which continue to transform our fossil fuel energy; and

WHEREAS, we must harness the power of entrepreneurs and small businesses in North Dakota, along with government collaboration, to assert American energy leadership in the global marketplace and assure low-cost, reliable energy here at home, including both carbon and renewable energy sources.

NOW, THEREFORE, as Governor of the State of North Dakota, I do hereby proclaim  
October 25-29, 2021, CLEAN POWER WEEK in the State of North Dakota.

  
Doug Burgum  
GOVERNOR

ATTEST:   
Alvin A. Jaeger  
SECRETARY OF STATE
