PROCLAMATION
NET CANCER AWARENESS DAY
NOVEMBER 10, 2018

WHEREAS, neuroendocrine tumors (NETs) often develop into cancer and, if left untreated, can result in serious illness and death; and

WHEREAS, all too often, health care professionals underestimate the malignant and metastatic potential of neuroendocrine tumors; and

WHEREAS, NET cancer patients are often misdiagnosed or receive a delayed diagnosis, which can have a negative impact on their chance of survival and quality of life; and

WHEREAS, survival for NET cancer patients is further compromised by fragmented care and lack of access to treatment by networks of specialists; and

WHEREAS, although there have been advances in the detection and treatment of NET cancers, not all patients are benefiting quickly enough from scientific and medical progress in the field; and

WHEREAS, with timely diagnosis and proper treatment, NET cancer patients can have significantly improved outcomes and quality of life.

NOW, THEREFORE, as Governor of the State of North Dakota, I do hereby proclaim November 10, 2018, **NET CANCER AWARENESS DAY** in the State of North Dakota.
